

**Harry Potter and the half-blood prince : movie review** . So here we have the new installment of the Harry Potter Series and it's got a different take on the stories of a young sorcerer and his adventures at Hogwarts castle. The wizard Dumbledore instructs Harry Potter to develop a friendship with Slughorn a returning professor in order to learn of which Dark Art that Tom Riddle—Voldemort's name while a student at Hogwarts, is using presently: Voldemort is the wizard who killed Harry's parents in the previous films. Severus Snape enters into an Unbreakable Vow with a fellow student Draco Malfoy's mother, Narcissa, assuring that Snape will protect Draco and complete the task Voldemort has assigned to Draco should the boy fail.
